- Entries for the exhibition must be registered by completing this form and emailing to [richard.brown@dsl.pipex.com](mailto:richard.brown@dsl.pipex.com), together with PDIs of all of them (including PDIs of the prints, which we need for record purposes) by Friday 27 July.
- The prints must be delivered to one of a number of locations anytime up to Monday 6 August. These locations will be advised separately.
- You may submit up to 6 images, 3 prints and/or 3 PDIs, which have not previously been shown at our annual exhibitions. Enter the details above in order of preference. In the event of over-subscription of prints your third preference prints will be entered as a PDI.
- Prints are to be mounted on 40cm x 50cm rectangular boards, with a label on the rear giving the image title and photographer's name, all in accordance with paragraphs 18 of the Club's Competition Rules (see website Downloads page <https://www.woodbridgecameraclub.co.uk/downloads>). No writing on the front of the board please, and do not use Blu-Tack, Velcro, etc. as these can cause damage to other prints. Backing boards must be to the full size of the mount as smaller backing boards can create problems with hanging.
- PDIs must be resized so they do not exceed 1400 pixels wide or 1050 pixels high, renamed with a filename in the format *Image title\_Your name.jpg*, and with the Title and Author in the appropriate fields of the metadata, all in accordance with paragraph 21 of the Club's Competition rules. See also "Preparing images for PDI Competitions and Exhibitions" on the website Downloads page.
- After the exhibition, entries will be available for collection from the Longshed between 16:30 and 17:00 on Sunday 12 August.
- The Club cannot accept responsibility for any loss or damage to prints submitted for the exhibition.
- If you do not want postcard prints of your images sold at the exhibition for Club funds, put X in box
